

LOTHIAN & BORDERS TARGET SHOOTING ASSOCIATION

WORLD CUP 2024-25 - FINAL RESULTS

The Final this season took place on Baleno & Currie's twelve Meyton electronic targets, and I think the innovation was generally welcomed. Instead of regauging cards in ties in the Group stage, the aggregates of the decimal scores were used to split those on equal points. There was a difference of 0.2 in one case. The winner of the World Cup trophy for the first time was Alan Gordon of Dulnainbridge, whose 199 in the final was just too good for Lenny Thomson's 197: scores worthy of a Final. Third place went to Chris Stirling of Dunfermline who beat Robert Gascoyne of Felton into fourth. It was close after the first card but it looks like Robert ran out of steam on the second (it's a long tiring afternoon's shooting). The Plate was won by Sinclair Bruce of the home club, overcoming Jared Fraser of Halkirk. The Bowl was retained by Paul Duxbury (Chobham) – a feat never achieved before – by beating Eilidh Scheuerl (Edinburgh University) in the final. The averages table was topped by Adam Dove (Watsonians) with 99.29, including four 100s – good shooting. The Association and I wish to thank Balerno & Currie RC for the use of their range, Mark Westwood for running the Meyton system and Tom McGregor for running the range. This document is also available on the Association's website.
